CHEM (Available Titles CourseMate) Melvin Joesten, John L. Hogg, Donald R. Neu Donald R. Neu
CHEM delivers exactly what today's students need --and want. Based on student and faculty feedback from nationwide interviews and focus groups, CHEM was developed through a "student-tested, faculty-approved" process. The result is a concise, engaging, and accessible textbook that presents the basic chemical principles faculty require within a framework of relevant, real world applications that liberal arts students can relate to. Delivered at a value price, CHEM accommodates the diverse lifestyles of today's learners, features a modern, open page design, and includes a wide array of print and online learning aids, including chapter-by-chapter study cards, self-quizzes, interactive flash cards, Go Chemistry and Thinkwell mini-video lectures, and online homework available through the OWL learning system.
