Slaves of The Pentacle - Part 2 Simon Grail

Lyn Caxton and her daughter Pippa are being prepared by Viktor Wolff to be his unwilling agents in a quest to free him from his enforced exile in this world. Naked and collared they have no choice but to obey, or else the other will suffer. Lyn is sent through to Wolff's castle home in Albion where she meets his sinister golem servants and learns discipline at their hands. Meanwhile Wolff entertains Pippa in his laboratory where she takes part in a most intimate and unusual experiment.

This is the second part of a series of stories following Lyn and Pippa as they struggle to survive torments both here and the alternate world of Albion Magna, where female slavery is the norm and women's minds and bodies are moulded to suit their masters' desires.
