It's not easy being Mikey Elsinger and Margalo Epps in ninth grade. It seems like things are changing. Now some people *want* to sit at the same lunch table with them, and some even ask them for advice. What are the two friends to make of this strange behavior?

Frankly all the attention cuts into the little time they have together and distracts attention from their own interests, like tennis and drama, and their own problems, like cheating in tennis and things not going the way Margalo plans they will in drama. In the opinion of these two bad girls, ninth grade can't end fast enough! But no matter how bad things get, one thing's for sure: They'll have each other.

The final book in the acclaimed Bad Girls series, *Bad Girls, Bad Girls, Whatcha Gonna Do?* is another funny, insightful, and realistic novel from Newbery Medal winner Cynthia Voigt.
