Decision Policies for Production Networks

Decision Policies for Production Networks

The financial results of any manufacturing company can be dramatically impacted by the repetitive decisions required to control a complex production network be it a network of machines in a factory; a network of factories in a company; or a network of companies in a supply chain. Decision Policies for Production Networks presents recent convergent research on developing policies for operating production networks including details of practical control and decision techniques which can be applied to improve the effectiveness and economic efficiency of production networks worldwide. Researchers and practitioners come together to explore a wide variety of approaches to a range of topics including:

WIP and equipment management policies,

Material release policies,

Machine, factory, and supply chain network policies for delivery in the face of supply and demand variability, and

Conflicts between complex production network models and their controlling policies.

Case studies and relevant mathematical techniques are included to support and explain techniques such as heuristics, global and hierarchical optimization, control theory and filtering approaches related to complex systems or traffic flows. Decision Policies for Production Networks acts as handbook for researchers and practitioners alike, providing findings and information which can be applied to develop methods and advance further research across production networks.

From reader reviews:

Brian Nelson:

A lot of people always spent their own free time to vacation or even go to the outside with them family or their friend. Do you realize? Many a lot of people spent they free time just watching TV, or maybe playing video games all day long. If you need to try to find a new activity that is look different you can read a new book. It is really fun for you. If you enjoy the book that you read you can spent the entire day to reading a guide. The book Decision Policies for Production Networks it is quite good to read. There are a lot of people who recommended this book. They were enjoying reading this book. If you did not have enough space to bring this book you can buy typically the e-book. You can m0ore easily to read this book from a smart phone. The price is not very costly but this book offers high quality.

Andrew Fogarty:

People live in this new day of lifestyle always attempt to and must have the extra time or they will get large amount of stress from both daily life and work. So , if we ask do people have time, we will say absolutely without a doubt. People is human not a robot. Then we inquire again, what kind of activity have you got when the spare time coming to a person of course your answer will unlimited right. Then do you try this one, reading books. It can be your alternative within spending your spare time, the book you have read is Decision Policies for Production Networks.

Enoch Dutton:

As we know that book is vital thing to add our knowledge for everything. By a e-book we can know everything you want. A book is a pair of written, printed, illustrated or blank sheet. Every year ended up being exactly added. This guide Decision Policies for Production Networks was filled regarding science. Spend your spare time to add your knowledge about your science competence. Some people has several feel when they reading any book. If you know how big advantage of a book, you can truly feel enjoy to read a guide. In the modern era like today, many ways to get book that you just wanted.

Mamie Bostic:

Do you like reading a guide? Confuse to looking for your best book? Or your book was rare? Why so many issue for the book? But any people feel that they enjoy with regard to reading. Some people likes reading through, not only science book but in addition novel and Decision Policies for Production Networks or perhaps others sources were given understanding for you. After you know how the truly amazing a book, you feel need to read more and more. Science reserve was created for teacher or perhaps students especially. Those ebooks are helping them to add their knowledge. In other case, beside science e-book, any other book likes Decision Policies for Production Networks to make your spare time considerably more colorful. Many types of book like this.
