Lilly: Palm Beach, Tropical Glamour, and the Birth of a Fashion Legend [Hardcover] [2012] (Author) Kathryn Livingston aa

Born into a legendary family surrounded by wealth and privilege, Lilly Pulitzer is an iconoclast who has become a fashion icon. Lilly's trademark colorful shift dresses defined high-society casual chic in the 1960s, and her brand continues to delight and enchant a whole new generation of women today. With "Lilly, " set against the glittering background of Palm Beach, Kathryn Livingston presents the first biography of this fascinating, complex, remarkable woman. Always one to opt for the unconventional, Lilly dropped out of college after one semester to become a nurse's aide in Appalachia, then eloped with publishing heir Peter Pulitzer at age twenty and moved full-time to Palm Beach, one of America's most notorious enclaves for the very rich. Peter worked in the orange-growing industry, and Lilly began her career by setting up a fruit juice stand on the famously upscale Worth Avenue. Lilly started designing and wearing simple, colorful dresses to provide comfort while she worked under the hot Florida sun. The exuberant patterns of her shifts, known as Lillys, soon caught the attention of her wealthy patrons. Lillys became "the "Palm Beach snob uniform and were quickly adopted by her neighbors and socialite customers from all over who wintered in Palm Beach. After Lilly's former schoolmate First Lady Jackie Kennedy was photographed with her family wearing a Lilly in Hyannis Port, seemingly every woman in America wanted to have one.
