Will Rabjohns, perhaps the most famous wildlife photographer in the world, has made his reputation chronicling the fates of endangered species. But after a terrible accident, Will is left in a coma. And in its depths, he revisits the wildernesses of his youth and relives his life with a mysterious couple who have influenced his life as an artist and a man.

When Will awakens, he sets out on a journey of self-discovery -- one where he will penetrate the ultimate mystery and finally unlock the secret of his destiny.
