Donkey Tales: Exploring Perspectives of the Bible's Stubborn Creatures Keith Alexis

Donkey Tales brings to the forefront the often overlooked role of the donkey in Bible stories. Ten chapters highlight and explore spiritual truths with the donkey as the star. Some of these donkeys you may already find familiar, such as Balaam's donkey or the donkey Jesus rode into Jerusalem. However there are also the not so familiar donkeys such as the donkeys of Anah and Abigail or the donkey that stood against a lion. These are just some of the donkeys taking center stage in **Donkey Tales**.

This book offers Bible Study teachers, Sunday school teachers, book clubs, or anyone desiring to learn or teach a fresh approach to better understanding God's word. Both young adult and adult markets representing both male and female will find it easy to engage with these stories.
