The hot guys are back--and this time they're showing their softer (or, you might say, furrier) side! Based on the runaway hit *Hot Guys and Baby Animals*, *Hot Guys and Kittens* features sexy male models cuddling up to some seriously cute kittens.

The pictures are paired with tongue-in-cheek captions showcasing the likes and dislikes of both the man and the kitten. Like the guys themselves, this book is the perfect combination of cute, sexy, and funny. You'll find yourself saying "ooh" and "aw" at the same time!
