Harold Pinter's the Dumb Waiter. (Dialogue)

Harold Pinter's the Dumb Waiter. (Dialogue)

This collection of essays focuses on one of Harold Pinter's most popular and challenging plays, *The Dumb Waiter*, while addressing also a range of significant issues current in Pinter studies and which are applicable beyond this play. The interesting and provocative dialogues between established and emerging scholars featured here provide close readings of *The Dumb Waiter*, within relevant cultural and historical contexts and from a range of theoretical perspectives. The essays range over issues of autobiography and theater, genre studies, and the impact of Pinter's political activism on his dramatic production, among others. The collection is also concerned with the meaning of the play when assessed against other examples of Pinter's work, both dramatic and non-dramatic writing. Each contributor shows a gift for presenting a complex argument in an accessible style, making this book an important resource for a wide range of readers, from undergraduates to postgraduates and specialist researchers. The collection offers essays that approach *The Dumb Waiter*, from an interdisciplinary perspective and as both a literary and dramatic text. Thus, the book should be of equal significance to those encountering Pinter within the context of English Studies, drama, and performance.
