The sophisticated Maya religion, which closely followed the pattern of contemporary Eurasian religions, originated in ancient times with a matriarchal “Goddess of Creation” and evolved into a patriarchal “First Father” concept in the Classic period preceding Spanish conquest. Current historians have failed to recognize that fact because of the naïve belief that the writings of colonial period folklore, which picture Maya religious concepts as crude, primitive, and often grotesque fables, represented Maya religion rather than the true, sophisticated, and realistic religious concepts expressed in their prehistoric writing and art as documented in this book.
