Taking on the Dead (The Famished Trilogy Book 1) Annie Walls

Life for Kansas was perfect until the day the world changed.

She has been hiding out for four years in solitude. It's the only way to survive. The only way not to draw the living dead. Helping a small group of people, she learns the new world might not be what she assumes. Venturing out of her refuge and comfort zone, she meets Rudy, who helps her find a greater purpose. She realizes that the world has moved on without her. Only it's not what she expects. Her knowledge of the living dead grows and only makes her more curious as humanity continues to hang on by a thread. While on her search for answers she finds comfort in new friendships and love, but her past seems as if it will haunt her forever.

Kansas takes it upon herself to help other survivors, which would be easy if the famished were the only obstacles.

In a trilogy plot thick with twists and turns, this adult dark fantasy is emotional as much as it is horrifyingly gripping.

This book contains graphic violence, intense language, sexual situations, drug use, and is intended for a mature audience.

From reader reviews:

Jodie Long:

As people who live in the modest era should be change about what going on or data even knowledge to make these people keep up with the era which is always change and make progress. Some of you maybe will probably update themselves by reading through books. It is a good choice for you personally but the problems coming to an individual is you don't know what one you should start with. This Taking on the Dead (The Famished Trilogy Book 1) is our recommendation to make you keep up with the world. Why, because book serves what you want and wish in this era.

Louise Graham:

Information is provisions for anyone to get better life, information these days can get by anyone from everywhere. The information can be a expertise or any news even a concern. What people must be consider if those information which is inside former life are challenging be find than now could be taking seriously which one is suitable to believe or which one the actual resource are convinced. If you receive the unstable resource then you buy it as your main information you will have huge disadvantage for you. All those possibilities will not happen throughout you if you take Taking on the Dead (The Famished Trilogy Book 1) as your daily resource information.

Jesse Reid:

This Taking on the Dead (The Famished Trilogy Book 1) is great reserve for you because the content which is full of information for you who else always deal with world and still have to make decision every minute. This kind of book reveal it details accurately using great coordinate word or we can claim no rambling sentences inside it. So if you are read that hurriedly you can have whole info in it. Doesn't mean it only provides you with straight forward sentences but tough core information with beautiful delivering sentences. Having Taking on the Dead (The Famished Trilogy Book 1) in your hand like getting the world in your arm, info in it is not ridiculous one particular. We can say that no e-book that offer you world with ten or fifteen second right but this reserve already do that. So , it is good reading book. Hey Mr. and Mrs. busy do you still doubt that will?

William Oden:

Some individuals said that they feel fed up when they reading a book. They are directly felt that when they get a half regions of the book. You can choose the particular book Taking on the Dead (The Famished Trilogy Book 1) to make your current reading is interesting. Your skill of reading ability is developing when you like reading. Try to choose straightforward book to make you enjoy to read it and mingle the impression about book and studying especially. It is to be first opinion for you to like to wide open a book and examine it. Beside that the guide Taking on the Dead (The Famished Trilogy Book 1) can to be your brand-new friend when you're sense alone and confuse with the information must you're doing of these time.
