Anne McCaffrey

**The Girl Who Heard Dragons (Dragonriders of Pern)** Anne McCaffrey

Anne McCaffrey's dragons are the stuff of which SF/fantasy legends are made. All of her dragon books have been national bestsellers.

*The Girl Who Heard Dragons* is a feast for McCaffrey fans and for all readers—a big, satisfying compilation of her fiction. Best of all, it opens with an original short novel of Pern, "The Girl Who Heard Dragons."

In addition, the book contains twenty-four beautiful black and white drawings by award-winning artist Michael Whelan. Romance, humor, colorful description, and affecting characters are Anne McCaffrey's hallmarks and the fifteen stories herein have these virtues in abundance. No wonder the *Chicago Sun-Times* described her as a "master of the well-told tale."

"The Girl Who Heard Dragons" is the story of Aramina, a teenage girl of Pern who hears dragons—a skill which does not seem likely to help solve her family's problems. They are "holdless," and must constantly roam the land, trying to hide from bandits. Aramina's mother fears losing her daughter completely to the life of a dragonrider, but McCaffrey has another fate in mind for her young heroine.
