Contraception and Christendom: Historic Position of the Church and Biblical Analysis David S. Hasselbrook

After presenting an historical overview of the Church's stance on contraception, with a specific focus in later times on the Lutheran position, *Contraception and Christendom* demonstrates that the historic position of the Church against the use of birth control is firmly grounded in and supported by the theology of the Holy Scriptures. This book acknowledges the elevated role of motherhood and the value of children, and is written for the lay person, pastor, and scholar.
