Oliver's Strange Journey Oliver Markus

Oliver, a teenage hacker living in Germany, meets Donna online. She's an American girl living in New York. After chatting and talking on the phone for months, he finally decides to surprise her with a visit. But he soon finds out that things are not what they appeared to be, and that this visit will change his life forever.

Events in Oliver's life become increasingly bizarre. As his life spirals more and more out of control, Oliver gets sucked deeper and deeper into the dark world of drug addiction and prostitution.

Oliver's Strange Journey is not just a dark comedy and coming-of-age novel, but also a psychological thriller based on incredible true events.

Karina McDermott:

As a scholar exactly feel bored to help reading. If their teacher expected them to go to the library or to make summary for some e-book, they are complained. Just little students that has reading's heart and soul or real their interest. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that reading through is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Oliver's Strange Journey can make you feel more interested to read.
