The Glue Guy: The Zoo Crew Series Book 4 Dustin Stevens

Deep in the heart of winter, things are beginning to shift for the Zoo Crew. Drake Bell is wrapping up his last days in law school and preparing to take the bar exam. Kade Keuhl has finally relented and agreed to apply for his private investigator's license. The ski lift at the local Snow Plaza has grounded everybody from hitting the slopes. And Emily, Drake's former college flame, is back in town looking to make him an offer that could alter everything moving forward.

A hundred miles east of Missoula, just outside of Butte, the mansion of reclusive billionaire Wes Koenig is burned to the ground. A radical new accelerant is used to reduce the place to rubble in a fraction of expected time, leaving local law enforcement stumped and heightening the impetus to apprehend whoever is responsible.

Working under the constraints of expectations and growing unrest, a much deeper story unfolds than anybody anticipated. What started as a simple case of arson soon begins to stretch back a decade in length, encompassing land deals gone bad, deep personal ideologies, and activism taken to its ugly extreme.
