Understanding Hubert Selby Jr. (Understanding Contemporary American Literature)

James R. Giles

Understanding Hubert Selby Jr. (Understanding Contemporary American Literature) James R. Giles
Since the publication in 1964 of his novel "Last Exit to Brooklyn", which arguably achieved the status of a cult classic, Hubert Selby, Jr., has held a place as one of the foremost exponents of American underground literature. His work has yet to receive extensive critical attention, in part because of its deliberately shocking subject matter and its resistance to precise classification. In "Understanding Hubert Selby, Jr.", James R. Giles examines the writer's four novels and one collection of short stories to make the case that the full complexity of his fiction has not previously been understood. Giles contends that Selby's writings, which are usually labelled as either "naturalistic" or "surrealistic", represent an innovative merger of both narrative modes. In addition to "Last Exit to Brooklyn", Giles provides close readings of "The Room", "The Demon", "Requiem for a Dream", and Selby's little-known collection of short stories, "Song of the Silent Snow".
