“I’m afraid an internal examination will be required.”

Nineteen-year-old Evelyn Grey has heard stories of the master of the black house, but she has no other choice. She needs this job at all costs. Arriving at the residence, she is surprised to find the master, a doctor, receives her well, his disposition warm and inviting. But as Evelyn is about to learn, the doctor has more than cleaning duties in mind for **naughty maids** like herself.

Diagnosing Evelyn with **hysteria**, the doctor demands daily examinations and treatments-unique and often cruel encounters that leave her **sore** and **humiliated**. Still, her arousal has never been fiercer. The more the doctor dominates her, the more she wants him to take *all* of her-hard, rough and with the wonders of the modern age. In just a few short days she will learn what it is like to be punished thoroughly, to be **broken**.

Contains strong elements of BDSM and submission along with **spanking, medical play, rear play and defloration**. Strictly for adults only, please.

EXCERPT

I gasp openly as the doctor bunches my skirts and lifts them high on my waist. Apart from my stockings, I am naked below, my bare ___ on display right under his eyes.

I have never been so ashamed.

My cheeks are glowing, my mouth open and my breathing quickened.

The doctor’s eyes light up, but elsewhere he maintains his clinical calm.

He sits on a stool between my legs, his head stooping to examine me.

“You are a virgin, I see.”

I gulp again. It is true.

“There is no external evidence I can see of the hysteria. I’m afraid an internal examination will be required.”
