CABALLOS SALVAJES (Spanish Edition) WALLS JEANNETTE

Caballos salvajes nos descubre los orígenes de la disfuncional familia Walls. Si en El castillo de cristal los niños nos conmovieron con su fortaleza y sus ganas de vivir en esta precuela será Lily Casey Smith su abuela la que nos brinde su tenacidad y perseverancia ante las dificultades que atravesó en el camino de su vida. Heroína y pionera en el Lejano Oeste americano Lily vivió durante sus primeros diez años en una caseta del desierto de Texas. A pesar de la extrema pobreza en que subsistía con sus padres no tardó en convertirse en una joven maestra de un pueblo situado a 28 días a caballo lo que supondría el principio de una sucesión de desafíos en una tierra de promesas y a la vez de grandes adversidades. Tras casarse con un hombre bigamo lo abandona para irse con otro dueño de un rancho con el que tiene dos hijos uno de ellos es Rose Mary Walls la madre de El castillo de cristal y durante todo este tiempo se convirtió en jinete de rodeo en domadora de caballos en una despiadada jugadora de póquer y haría lo imposible por que ella y su familia sobrevivieran con su afán de superación y su encendida defensa de la libertad de la mujer a principios del siglo xx. Jeannette Walls quería escribir sobre la infancia de su madre pero la vida de su abuela terminó imponiéndose. Al final todo tiene una explicación...

From reader reviews:

Susan Velez:

What do you concentrate on book? It is just for students since they're still students or the idea for all people in the world, what the best subject for that? Simply you can be answered for that issue above. Every person has different personality and hobby per other. Don't to be pressured someone or something that they don't want do that. You must know how great and important the book CABALLOS SALVAJES (Spanish Edition). All type of book would you see on many sources. You can look for the internet solutions or other social media.

David Hester:

What do you in relation to book? It is not important with you? Or just adding material when you require something to explain what your own problem? How about your time? Or are you busy person? If you don't have spare time to do others business, it is make you feel bored faster. And you have time? What did you do? All people has many questions above. They must answer that question since just their can do which. It said that about publication. Book is familiar on every person. Yes, it is suitable. Because start from on kindergarten until university need this specific CABALLOS SALVAJES (Spanish Edition) to read.

Pat Billings:

This CABALLOS SALVAJES (Spanish Edition) is great publication for you because the content which is full of information for you who all always deal with world and also have to make decision every minute. This book reveal it information accurately using great arrange word or we can declare no rambling sentences in it. So if you are read the idea hurriedly you can have whole information in it. Doesn't mean it only offers you straight forward sentences but hard core information with wonderful delivering sentences. Having CABALLOS SALVAJES (Spanish Edition) in your hand like having the world in your arm, information in it is not ridiculous a single. We can say that no reserve that offer you world within ten or fifteen minute right but this e-book already do that. So , this really is good reading book. Heya Mr. and Mrs. busy do you still doubt this?

David Gaiter:

Reading a book for being new life style in this yr; every people loves to go through a book. When you learn a book you can get a large amount of benefit. When you read publications, you can improve your knowledge, mainly because book has a lot of information in it. The information that you will get depend on what types of book that you have read. If you wish to get information about your analysis, you can read education books, but if you want to entertain yourself you can read a fiction books, these kinds of us novel, comics, in addition to soon. The CABALLOS SALVAJES (Spanish Edition) provide you with new experience in reading a book.
