**Ethnography in Action: A Mixed Methods Approach (Ethnographer's Toolkit, Second Edition)** Jean J. Schensul Institute for Community Research, Margaret D. LeCompte University of Colorado Boulder  
In *Ethnography in Action* (Book 7; the final title in the *Ethnographer's Toolkit* series), Jean J. Schensul and Margaret D. LeCompte explore how ethnographic research intersects with and enhances numerous areas of practice.

Schensul and LeCompte ground this book in the understanding that all applied or practice-oriented social science must be collaborative to be effective. Showing how informal and formal ethnographic methods and knowledge contribute to the arenas in which ethnographers work, the authors cover both the typical practice settings raised in earlier books in the series and introduce two emerging arenas of concern: long-term fieldwork and participatory action research. With its methodological focus and skillful integration of guidelines, checklists, examples, and resources, Book 7 offers a unique guide to the practice of mixed methods ethnography over time and with community involvement.
