Hitler and the Holocaust (Modern Library Chronicles)

Robert S. Wistrich

Hitler and the Holocaust (Modern Library Chronicles) Robert S. Wistrich

Hitler and the Holocaust is the product of a lifetime's work by one of the world's foremost authorities on the history of anti-Semitism and modern Jewry. Robert S. Wistrich examines Europe's long history of violence against its Jewish populations, looks at the forces that shaped Hitler's belief in a "satanic Jewish power" that must be eradicated, and discusses the process by which Hitler gained power and finalized his plans for mass genocide. He concludes by addressing the abiding legacy of the Holocaust and the lessons that can be drawn from it. Combining a comprehensive picture of one of the most cataclysmic periods in recent history with contemporary scholarly developments and fresh historical inquiry, **Hitler and the Holocaust** is an indelible contribution to the literature of history.
