Idioms represent the most colorful language used in everyday conversation yet tend to be the most difficult for foreign learners to understand and for teachers to convey. Idiom Attack is a collection of 300 North American idioms in common usage today, arranged in an easy to read and understand format. 25 topical chapters provide easy access for intermediate to advanced students of English. Only the most useful idioms and phrasal expressions are included, with meanings in both English and Chinese French for comparison. Example sentences provide contextual support for more in depth understanding and practical application and stories challenge learners with the application of language with follow-up comprehension questions designed to coax them to use the target language. Finally, discussion questions encourage deeper dialogue and practice with opportunities for reading, writing, listening and speaking.

Les expressions idiomatiques agrémentent les conversations quotidiennes, mais sont bien souvent les plus difficiles à apprendre pour les étudiants étrangers et les plus difficiles à transmettre pour leurs enseignants. Idiom Attack est un recueil de 300 expressions couramment utilisées en Amérique du Nord, présentées dans un format facile à lire et à comprendre. 25 chapitres thématiques facilitent l'apprentissage tant pour les étudiants de niveau intermédiaire que pour ceux de niveau plus avancé. Seules les expressions les plus utiles sont incluses, avec leur signification en anglais et en français pour comparaison. Les phrases d'exemple fournissent un soutien contextuel pour une meilleure compréhension de l'utilisation pratique de ces expressions, tandis que les textes et questions de compréhension permettent au lecteur de vérifier ses connaissances. Les questions de discussion visent à encourager un dialogue plus approfondi et la mise en pratique à l'écrit comme à l'oral des expressions apprises. Cet ouvrage se prête autant à l'apprentissage individuel qu'à une utilisation en classe.
