Sweet Poison: How the World's Most Popular Artificial Sweetener Is Killing Us - My Story Janet Starr Hull

When certified nutritionist Janet Hull became gravely ill, she discovered aspartame poisoning was to blame for her life threatening sickness. Her investigation revealed disturbing facts about aspartame hidden from the public since the 1970's — including documents contradicting product safety and the fact that aspartame was originally approved as a drug — not a food additive. She tells her story and the experiences of others and unveils startling evidence of a cover-up.
