In Dr. Wayne Dyer's public television special, taped live in front of a thousand fans in Boston's historic theater district, he transforms conventional thinking about making things happen in our lives into a profound understanding of how each person possesses the infinite potential and power to co-create the life he or she desires. To accomplish this, Dr. Dyer takes the audience through a journey into the seven faces of intention: (1) creativity, (2) kindness; (3) love, (4) beauty, (5) expansiveness, (6) abundance, and (7) receptivity. Throughout the program, Dr. Dyer illustrates his points with signature stories that move the audience to tears-as well as abundant laughter.
