"A TRAIL FOR ALL SEASONS: Wisconsin's Ice Age Trail, in Words and Pictures" is the pictorial record of a year spent photographing the Ice Age Trail. Beginning with Spring (which the author considers to be the "true" start of the year), the book proceeds in chronological order: Spring melts into Summer, then Summer morphs into Fall, and finally Fall segues into Winter. Each of the approximately 100 photographs is paired with a corresponding poem or quotation.
