## Concerning the Angels (Spanish Edition) Rafael Alberti

First published in Spain in the summer of 1929, Concerning the Angels (Sobre los angeles) is the great Spanish poet Rafael Alberti's masterpiece, on a par with T.S. Eliot's *The Waste Land*, Pablo Neruda's *Residencia en la tierra*, and Federico Garcia Lorca's *Poeta en Nueva York*. It marks a major departure from the light-hearted tone of the poet's earlier verse, which was notably influenced by Andalusian folksong. It is at once intensely imaginative and intimately realistic, a lyrical illumination of the poet's "dark night of the soul."

Rafael Alberti, born in 1902, is the last surviving member of the so-called Generation of 1927 that included such notable Spanish poets Federico García Lorca, Vicente Alexandre, Pedro Salinas, Jorge Guillen, and Luis Cernuda.

Christopher Sawyer-Laucanno lives in Massachusetts and teaches in the program in Writing and Humanistic Studies at MIT.
