**Historia Universal Freak: Un relato desde el Big Bang hasta el presente, a través de 1300 curiosidades (Spanish Edition)** Joaquín Baraña

Historia Universal Freak es dos cosas a la vez:

En primer lugar, un genuino libro de historia universal básica. Un repaso útil para atar muchos de esos cabos sueltos que pueblan nuestra comprensión fragmentaria de los hechos. Si conceptos tales como “Alejandro Magno” o “Caída de Constantinopla” pululan semivagabundos por algún rincón de su memoria, aislados de todo hilo conductor, estos doce capítulos debiesen ayudarlo a encajar las cosas en un todo coherente. Quienes no han vuelto a desempolvar un libro del tema desde sus años de escuela, los espera por delante una lectura integrada y de un tirón de la historia. Una inmersión ininterrumpida, sin esos permanentes cortes, idas y venidas a las que se debe adaptar un currículum escolar.

En segundo, una selección en contexto de los mejores datos curiosos y anécdotas de alcance mundial. Si usted es de esas personas que disfruta más con el relato de Juana La Loca durmiendo abrazada del cadáver de Felipe El Hermoso que con el del rol político de Felipe El Hermoso en el Imperio español, es muy posible que las páginas que vienen a continuación le sean provechosas.
