Knowledge-Based Software Engineering: 11th Joint Conference, JCKBSE 2014, Volgograd, Russia, September 17-20, 2014. Proceedings (Communications in Computer and Information Science)

This book constitutes the refereed proceedings of the 11th Joint Conference on Knowledge-Based Software-Engineering, JCKBSE 2014, held in Volgograd, Russia, in September 2014. The 59 full and 3 short papers presented were carefully reviewed and selected from 197 submissions. The papers are organized in topical sections on methodology and tools for knowledge discovery and data mining; methods and tools for software engineering education; knowledge technologies for semantic web and ontology engineering; knowledge-based methods and tools for testing, verification and validation, maintenance and evolution; natural language processing, image analysis and recognition; knowledge-based methods and applications in information security, robotics and navigation; decision support methods for software engineering; architecture of knowledge-based systems, including intelligent agents and softbots; automating software design and synthesis; knowledge management for business processes, workflows and enterprise modeling; knowledge-based methods and applications in bioscience, medicine and justice; knowledge-based requirements engineering, domain analysis and modeling; intelligent user interfaces and human-machine interaction; lean software engineering; program understanding, programming knowledge, modeling programs and programmers.

From reader reviews:

Dave Edwards:

Why don't make it to be your habit? Right now, try to prepare your time to do the important work, like looking for your favorite book and reading a e-book. Beside you can solve your problem; you can add your knowledge by the publication entitled Knowledge-Based Software Engineering: 11th Joint Conference, JCKBSE 2014, Volgograd, Russia, September 17-20, 2014. Proceedings (Communications in Computer and Information Science). Try to face the book Knowledge-Based Software Engineering: 11th Joint Conference, JCKBSE 2014, Volgograd, Russia, September 17-20, 2014. Proceedings (Communications in Computer and Information Science) as your buddy. It means that it can being your friend when you truly feel alone and beside that course make you smarter than ever. Yeah, it is very fortunated in your case. The book makes you considerably more confidence because you can know every thing by the book. So , let's make new experience and knowledge with this book.

Ann Birdsell:

The book Knowledge-Based Software Engineering: 11th Joint Conference, JCKBSE 2014, Volgograd, Russia, September 17-20, 2014. Proceedings (Communications in Computer and Information Science) can give more knowledge and also the precise product information about everything you want. Exactly why must we leave the best thing like a book Knowledge-Based Software Engineering: 11th Joint Conference, JCKBSE 2014, Volgograd, Russia, September 17-20, 2014. Proceedings (Communications in Computer and Information Science)? Several of you have a different opinion about publication. But one aim that will book can give many data for us. It is absolutely proper. Right now, try to closer using your book. Knowledge or details that you take for that, you are able to give for each other; you may share all of these. Book Knowledge-Based Software Engineering: 11th Joint Conference, JCKBSE 2014, Volgograd, Russia, September 17-20, 2014. Proceedings (Communications in Computer and Information Science) has simple shape however, you know: it has great and big function for you. You can appearance the enormous world by available and read a e-book. So it is very wonderful.

Marivel Tye:

Nowadays reading books become more than want or need but also become a life style. This reading addiction give you lot of advantages. Advantages you got of course the knowledge even the information inside the book which improve your knowledge and information. The details you get based on what kind of book you read, if you want send more knowledge just go with training books but if you want experience happy read one using theme for entertaining including comic or novel. The Knowledge-Based Software Engineering: 11th Joint Conference, JCKBSE 2014, Volgograd, Russia, September 17-20, 2014. Proceedings (Communications in Computer and Information Science) is kind of guide which is giving the reader unstable experience.

James Voyles:

In this age globalization it is important to someone to acquire information. The information will make professionals understand the condition of the world. The fitness of the world makes the information better to share. You can find a lot of references to get information example: internet, paper, book, and soon. You can observe that now, a lot of publisher this print many kinds of book. The book that recommended to your account is Knowledge-Based Software Engineering: 11th Joint Conference, JCKBSE 2014, Volgograd, Russia, September 17-20, 2014. Proceedings (Communications in Computer and Information Science) this reserve consist a lot of the information from the condition of this world now. This kind of book was represented so why is the world has grown up. The dialect styles that writer use to explain it is easy to understand. The actual writer made some analysis when he makes this book. That is why this book suitable all of you.
