Practical Handbook of Falcon Husbandry and Medicine

Margit Gabriele Muller

Practical Handbook of Falcon Husbandry and Medicine Margit Gabriele Muller

Falcon medicine exists for centuries, but in the past 10-15 years tremendous progress and new development of diseases and treatment methods have been made. It has always been a challenge to treat these beautiful birds of prey and the challenge continues until now. Falcons, falconry and falcon medicine are important in Abu Dhabi and the United Arab Emirates which can be regarded as the cradle of modern falcon medicine in the 21st century. Having treated more than 30,000 falcons over the past years, the author feels that the time has come to share his outstanding experience with the veterinarians' and falconers' community for the sake of these incredible birds of prey - to enhance their living conditions and to improve medical falcon health care world-wide. This book is based on his experience of a large variety of different cases and is therefore very practical-oriented. It is intended to be a useful handbook for all interested people working with falcons such as veterinarians, veterinary students, falconers and raptor rehabilitation workers. The aim of this book is not to include all research that has ever been done on falcons, but to highlight those issues that are really working out in practice. It includes 17 chapters ranging from history of falcon medicine to different diseases up to first aid and intensive care medicine.

From reader reviews:

Michael Jackson:

Book is to be different for each grade. Book for children until finally adult are different content. As we know that book is very important usually. The book Practical Handbook of Falcon Husbandry and Medicine had been making you to know about other understanding and of course you can take more information. It is extremely advantages for you. The guide Practical Handbook of Falcon Husbandry and Medicine is not only giving you much more new information but also for being your friend when you really feel bored. You can spend your current spend time to read your book. Try to make relationship with all the book Practical Handbook of Falcon Husbandry and Medicine. You never experience lose out for everything in case you read some books.

Maria Antoine:

Nowadays reading books become more than want or need but also work as a life style. This reading habit give you lot of advantages. The huge benefits you got of course the knowledge the rest of the information inside the book in which improve your knowledge and information. The information you get based on what kind of publication you read, if you want get more knowledge just go with education and learning books but if you want feel happy read one together with theme for entertaining such as comic or novel. The Practical Handbook of Falcon Husbandry and Medicine is kind of reserve which is giving the reader unpredictable experience.

Andrew Howe:

Why? Because this Practical Handbook of Falcon Husbandry and Medicine is an unordinary book that the inside of the e-book waiting for you to snap the item but latter it will shock you with the secret it inside. Reading this book next to it was fantastic author who also write the book in such incredible way makes the content interior easier to understand, entertaining technique but still convey the meaning entirely. So , it is good for you because of not hesitating having this any more or you going to regret it. This book will give you a lot of advantages than the other book include such as help improving your skill and your critical thinking approach. So , still want to hold off having that book? If I ended up you I will go to the book store hurriedly.

Cindy Johnson:

Reading a book to be new life style in this year; every people loves to learn a book. When you read a book you can get a large amount of benefit. When you read publications, you can improve your knowledge, because book has a lot of information on it. The information that you will get depend on what sorts of book that you have read. If you wish to get information about your analysis, you can read education books, but if you act like you want to entertain yourself read a fiction books, this kind of us novel, comics, and also soon. The Practical Handbook of Falcon Husbandry and Medicine will give you a new experience in studying a

book.
