That Wild Texas Swing (Lost in a Boom Town Book 2) MJ Fredrick

Liz Salazar has a reputation for being wild, and it's well-earned. But the women of Evansville, Texas, choose to overlook it since she's an excellent stylist, with her own shop on the square. But when the handsome young mayor shows interest in Liz, that's a different story. Suddenly everyone has an opinion, and none of them are positive.

Killian Dawson has always toed the line. He continued his father's legacy by running for mayor, and is leading the town of Evansville through the changes brought about by the oil boom. His one rebellion is his interest in Liz Salazar. He's had a crush on her for years, and he's ready to make his move despite the town's disapproval.

The reaction of the town is predictable, but the more time he spends with her, the more he knows she's the one for him. And she is ready to change her ways, but not until after taking him on a wild Texas swing.
