## **The Hogan Theory - Applied to Short Game (Volume 2)** S L Conner

The Hogan Theory – Applied to Short Game is a continuum from the original Dual Core Concept. After devoting years to researching Mr. Hogan’s swing, Mr. Conner takes the founded principles and applies them to the short game to create the perfect set of tools to use on the golf course. He walks through each part of the short game explaining how the theories can be applied pitching, chipping, lobbing. Then he takes the core concepts and develops an effective way to handle the putter. With these abilities added to your bag, you would be able to lower your score and start enjoying your game.
