Friendly teddy bears teach new words to very young boys and girls—and they do it in two languages. English and Spanish. They give toddlers an early start in learning a foreign language at the same time that they are learning new words in their own. Brightly illustrated throughout, two-page spreads show a picture with its caption in English on the left and its Spanish equivalent on the right. The last page of each book aids parents with a list of all words introduced in the book plus easy general pronunciation rules. Books in this bilingual series are also available in English and French. (Ages 2 and older)
