Civil War Ghosts of North Georgia (Haunted America) Jim Miles

Though Georgia was spared the hard hand of war for two years, combat arrived with a vengeance in September 1863 with the Battle of Chickamauga in north Georgia. It was the second-largest battle of the Civil War and has become one of America's most haunted battlefields, producing a long history of bizarre paranormal events that continue today. From Sherman's notorious march to Confederate general James Longstreet's continued inhabitation of his postwar home, Georgia is haunted by many of those who fought in America's deadliest war. Join author Jim Miles as he details the ghosts that still roam Georgia's Civil War battlefields, hospitals and antebellum homes.
