A Letter From The Author

People often ask me how I write high-quality books at such high speeds. I've written and self-published seven books as of this writing.

Writing didn't come naturally to me. I've experienced a lot of the challenges I'm going to tackle in this book firsthand. I never even thought I would enjoy writing so much, let alone make it a significant source of income.

Self-publishing has been an amazing experience for me. It generates a significant amount of passive income. Self-publishing has also led me to high-priced consulting and speaking opportunities and press coverage. It's made me a better thinker, presenter, and communicator. My books have boosted my professional credibility and attracted customers to my business. In addition, writing has become one of my biggest passions, so I'm very excited to help my readers!

And yes, I wrote *this* book in 10 days!

I'm by no means an "expert" on writing (and you don't have to be an "expert" on the topic of your book either!). I didn't go to school for writing. I haven't been writing for decades. The tips, strategies, tactics, and hacks contained within this book are what have helped me go from zero to writing a few blog posts to self-publishing seven books. I'm confident that if you practice these ideas, your writing speed and quality will increase tremendously.
