Annabelle Walsh thought she had it all. She was the star of her swim team, had a loving family, a great boyfriend, and to top it off, she'd be starting at UCLA in the fall. One day, she'd be referred to as Dr. Annabelle Walsh. She was living every girl's dream – until her life was turned upside down. All starting with finding out that she's not just a human, but also a water spirit. Half-human, half-sprite to be exact. Although not just any sprite, Annabelle is prophesied to be the only one who can save both the sprites and mankind. With a mix of current events, anecdotes from Greek mythology, tidbits of folklore, and Leigh's own imagination, we join Annabelle in her journey to restore order beneath the sea. Each step of the way her mind, body, and soul are pushed to the limit begging the question, how much can one half-human, half-sprite take?
