Theta Healing: Introducing an Extraordinary Energy Healing Modality Vianna Stibal

In 1995, Vianna Stibal, a mother of three young children, was diagnosed with a cancer that was quickly destroying her right femur. Everything she had tried using conventional and alternative medicine had failed, until she employed a simple technique that she used in her work as an intuitive reader. Amazed that she had healed herself instantaneously, Vianna started to use this technique in her sessions with clients and saw person after person miraculously heal.

ThetaHealing is a powerful energy-healing technique, a process that brings about physical, psychological and spiritual healing with focused prayer through the Creator of All That Is. This book is a fusion of the past works of "Go Up and Seek God" and "Go Up and Work with God".

Discover:

- the belief and feeling work that can instantly change the thinking within you that creates illness
- the 7 Planes of Existence, a concept that allows you to connect to the highest level of love and energy of All That Is
- how to develop the ability to change on all levels: physically, mentally, emotionally, and spiritually, using the Creator of All That Is.

Note, the remedies, approaches and techniques described herein are meant as a self help guide, not meant to supplement, or be a substitute for, professional medical care or treatment.
