Been There, Done That : A Novel Darrien Lee

In Darrien Lee's much-anticipated sequel to *All That and a Bag of Chips*, readers meet up again with Craig Bennett, who is still wary of love even years after his affair with Venice Taylor.

This compelling continuation of the Craig Bennett and Venice Taylor saga reveals Craig to be still smarting from Venice's decision to marry her high school sweetheart despite the passion she and Craig shared during their college romance. Devastated by the loss, Craig has dedicated himself to building his company, Bennett Architectural, Inc., into a multimillion-dollar empire and rising to career success. However, his personal life is not quite as fruitful -- even though he has had several meaningless flings with beautiful, intelligent women -- due to the impenetrable wall of regret preventing him from reaching out to another woman. As fate would have it, Craig finds himself faced with a challenge that tests his will, trust, and capacity to love and forces him to confront the issues that have been plaguing him for the past seven years.

In *Been There, Done That* Darrien Lee crafts a fascinating novel complete with intricate relationships, life-changing decisions, and painful matters of the heart.
