Failed rock musician Kenji's memories of his past come rushing back when one of his childhood friends mysteriously commits suicide. Could this new death be related to the rise of a bizarre new cult that's been implicated in several other murders and disappearances? Determined to dig deeper, Kenji reunites with some of his old buddies in the hope of learning the truth behind it all.

The Friend, an enigmatic cult leader who plans to destroy the world, declares, "The cosmos has begun choosing those who are true friends." Meanwhile, horrifying incidents are taking place: the emergence of a mysterious virus, the death of a detective, the revelations of a man on the run... Kenji tries to find out who this Friend is, but the answer is still far ahead. The footsteps of doom slowly creep closer and a shadow falls over the city...
