This coloring book for grown-ups and teens has detailed hand-drawn line art illustrations and paper crafts in ink, adapted from the original Anni Arts Seasons and Reasons paper craft ranges. The images are unique and follow annual holidays, events and celebrations. They are now available as decorative pictures to color with pencil crayons or markers. There are 47 pages to color: 12 large main seasonal images and 35 craft project pages. The coloring pages and crafts are blank on the reverse. Some have lots of intricate detail, while others have larger areas of color blocking. None are overwhelmingly complex and all are very suitable for creative and relaxing coloring. The main illustrations can be colored and framed. The pretty paper crafts are fun to color, cut and make. The keepsake decorations are meant to be used for many years - thus coloring them lavishly and lovingly, is very worthwhile. The gift items have a focused area of intricate coloring for the main presentation pieces, while the content items have small and quick-to-color images. The crafts include a tie-on bottle label, a heart gift sachet, a greeting card topper and teabag packet, Easter bunting, a fragrance sachet, a stationery gift set, a tea tote and tea envelopes, shelf edging, a leaf wreath, goodie bags and a Holiday stocking. The original full color versions of these images can be seen on Anni Arts and on Anni Arts Crafts.
