Millions of people have been seduced by the lure of the Law of Attraction and its promise of manifesting wealth, health and all the good things in life. However, the practice of the Law of Attraction as it is currently taught yields disappointing -- or even harmful -- results. "The Greatest Manifestation Principle in the World" corrects the inaccuracies, points out hidden dangers, and dispels the myths surrounding the Law of Attraction. More importantly, it sheds light on \*the most powerful manifestation principle\* that no one is talking about. When you combine this principle with your practice of the Law of Attraction, you enter the realm of miracles where your desires can and **MUST** necessarily manifest into existence. This is the first book that removes the blindfold from the world's current understanding of the Law of Attraction -- and reveals the true power behind it so that people can finally experience spectacular and consistent results from it. Now, you can make the manifestation of your desires a certainty, instead of something merely hoped for. When you learn the greatest manifestation principle in the world, you will ... \* Find the wormhole between the emotional and the spiritual dimensions -- the interface that turns desires from their unformed potentiality to actualization; \* Begin to notice that the right people, the right resources, the right relationships and the right circumstances just magically appear in your life -- without any prompting or effort from you; \* Spontaneously behave in ways that enable you to naturally lose excess weight, eliminate procrastination, get rid of mental obsessions or addictions, resolve marital and personal relationship problems -- and rise above any and all human dilemmas; \* Discover how to heal yourself spontaneously of an ailment, disease or illness by amplifying the power of the manifestation principle to a level wherein sickness disappears; \* Learn how to make others feel energized, feel better about themselves, be more loving and at peace with the world just by being in your vicinity; \* Learn how to bring yourself to a state of perfect well-being ... and enter the realm where miracles become everyday occurrences. This first-of-its-kind book features a simple, easy-to-follow plan that enables you to apply the greatest manifestation principle into your daily life. The plan takes only 5 minutes a day (or less) to do -- and after consistent practice, the manifestation of your desires becomes automatic.
