One of the biggest barriers people have to developing the sophisticated people skills outlined in *The People Skills Revolution* is the belief that learning to influence others is in some way manipulative.

This companion workbook will help you to overcome this resistance by providing a range of exercises to help you integrate the ideas in the book, while strengthening the belief that anyone with a positive intention and a readiness to step out of their comfort zone, to change their behaviors, can achieve remarkable results. The workbook will make the apparently impossible possible by helping you to put the skills of assertiveness, influencing, negotiation, conciliation, taking a stand and making peace into action.
