## 20th Century Ghosts Joe Hill

Imogene is young, beautiful . . . and dead, waiting in the Rosebud Theater one afternoon in 1945. . . .

Francis was human once, but now he's an eight-foot-tall locust, and everyone in Calliphora will tremble when they hear him sing. . . .

John is locked in a basement stained with the blood of half a dozen murdered children, and an antique telephone, long since disconnected, rings at night with calls from the dead. . . .

Nolan knows but can never tell what *really* happened in the summer of '77, when his idiot savant younger brother built a vast cardboard fort with secret doors leading into other worlds. . . .

*The past isn't dead. It isn't even past. . . .*
