The purpose of this book is to provide better understanding and awareness of abuse and the effects on children. The information includes useful data pertaining to healing from abuse. I used quotes related to the Holocaust to support the depth of this problem, in and of our society today. This is not a new issue. The Bible speaks of children being killed and tortured by their own parents. GOD was not OK with it then and HE's not OK with it now. HE cautions us about the severity of taking children for granted, or worse, abusing them. Children are important to the Creator.
