Jewels For My Journey Barbara Moon

In Jewels for My Journey, Barbara Moon takes you from her childhood journey of faith where she meets Jesus Christ at an early age, through young adulthood where she learns about freedom and union with Christ, to a place in her adult life where Jesus heals a deep childhood wound, while at the same time healing the disaster of divorce. Readers will see the interworking of this journey as Barbara shares principles of the Exchanged Life, what to do with fear and emotional pain, and how to escape the prison of co-dependency. As the journey unfolds, God uses jewels of wisdom from Barbara's mentor, E. James Wilder, Ph.D., author of The Life Model and Living With Men, to lead her through what Dr. Wilder calls an identity change. As Dr. Wilder shares old ideas in a very unique way, what Barbara learns through her journey of faith is life-changing and rich with wisdom. You will want to explore and ponder these jewels over and over.
