#### **David Mathews:**

As a university student exactly feel bored to be able to reading. If their teacher expected them to go to the library as well as to make summary for some publication, they are complained. Just little students that has reading's spirit or real their interest. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that looking at is not important, boring and also can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this Omni 2001: Another View/End of Summ can make you

experience more interested to read.
