Kathleen Buckstaff

The Tiffany Box: A Memoir Kathleen Buckstaff

Through treasured emails, letters, diary entries, and columns, Kathleen Buckstaff re-creates her life as a mother of young children in this award-winning motherhood memoir. We follow Kathleen as she gets her first big break writing about her children, her husband, and their dog, Rosie, for the *Los Angeles Times*. Kathleen's stories hit home with many readers and the *Los Angeles Times* offered her a sweet deal to pen more columns. Writing with a rare and honest voice, Kathleen shares moments such as trying on foam bellies in a maternity dressing room, her children tricking the tooth fairy, and using chocolate to bribe her mother to babysit. Then, unexpectedly, her vibrant mother becomes ill, and Kathleen must learn how to be a mother to her own mom.

Kathleen shows the humor, hard work, insanity, love, and joy that are involved in being a mother and a caretaker.

Selected by *Women Magazine* as a most-notable cancer-related book, honored as a USA Best Book Awards Finalist and an International Book Awards Finalist.
