Blood Is Thicker (The Gemini Borders Trilogy Book 1) Toni Parks

The re-edited first novel in The Gemini Borders Trilogy. Unexplainable murders on the Scottish Borders bring together three people of differing professions, whose lives become inexorably entwined. Barnham, the cross borders roving Detective Inspector, seconded from Newcastle and overseeing the killings; is commanded by his superior to seek assistance from Jessica, a psychologist and health fitness fanatic with a penchant for 'profiling'. And making up the trio is Emma, a lady of the night, found in the wrong place at the wrong time but who lives to tell the tale; being either as a suspect or a witness. The DI leads his team one step forwards and two steps back, and with his personal life clouding his professional judgment the threat of death is never far away.

Expect the unexpected!
