Revelator has had his eye on the innocent redhead from the moment he first saw her. But life got in the way of him pursuing the angel, prospecting for the club taking up just too damned much of his time. Fully patched at last, preparing to make a move, that's when his shop and his living came down around his ears. Faced with rebuilding from the ground up, he's decided that if he has to start from the beginning, he might as well go all in. The life he plans on building from here on out definitely has his Red by his side and no one else's.

It doesn't take Rev long to find out what his girl is hiding, and when he does, someone is going to realize just how formidable he can be.
