**Waiting For You: a Losing Me Finding You companion novella** Natalie Ward

When I was a boy, I met a girl.

She changed my life.

In such a good way.

She taught me so many amazing things. Like how to expect the unexpected. How to want something, but also how to wait for it when circumstances forced you to. She taught me about bravery and facing your fears, about beating the odds when it felt like everything was against you. She also taught me how to laugh and how to believe in magic. She taught me about things I never even knew existed.

She taught me how to love.

I was only five years old when I met Evie Roberts. I loved her then and I love her now. The only difference is, now she's Evie Foster.

She's already told you her side of the story. Now I'm going to tell you mine. Well, it's all still our story, because really, without her, my story wouldn't matter.

\*\*\*Please note, this is a companion novella to Losing Me Finding You and should be read afterwards\*\*\*
