6 Steps to Manifesting the Relationship of Your Dreams!

This book is for you if.....

- You want to get out of a relationship but you can't (guilt, cords, fears)
- You are tired and frustrated with relationships, have tried "everything" and have lost nearly all hope to manifesting the relationship you have always longed for.
- You believe there are no "good" men or women out there....
- You are single and don't know why....
- You are sick and tired of dating....
- You are divorced and have no hope for a new relationship....
- You are in a co-dependent and dramatic relationship....
- You have self doubt and low self esteem....
- You're just curious to try new things.....
- You believe you are not good enough, pretty enough, successful enough or young enough to manifest the relationships of your dreams....

The truth is that if you are not manifesting the relationship you desire or anything else in life for that matter, there are energetic blockages preventing you from this. Unresolved energy dynamics like co-dependency, energetic cords, shame, guilt, victimization, betrayal, heart breaks, unworthiness, emotional pain, abandonment or beliefs that are still encoded in your subconscious mind, and DNA will keep you in a relationship karmic loop where the same thing keeps happening over and over again.
