Ana was spawned by the Dark Lord himself, but every instinct she possesses screams that she isn't evil.

She is good—just as her mother was. But Ana has to know the truth about her shape-shifting abilities and mystical origins. Her jaguar senses and dreams lead her to the jungles of Peru—and to a kind stranger with haunting green eyes.

Mace Ridfort is no ordinary man. He is a trained assassin and Warrior for the Light. Though Mace is duty bound to destroy the dark forces, Ana senses he is also her salvation from a centuries-old destiny. And with Mace by her side, Ana must now withstand the most difficult battle of all—to save the world from a thousand-year darkness.—
